

The Butterfly Effect By Nicole Miller *Transforming One Person at a Time*

About the Book:

"The Butterfly Effect Transforming One Person at a Time" is calling for a generation who is sick and tired of repeating the same mistakes of our forefathers and reaping the same results. This book is looking for a generation who is ready for a real, genuine, permanent change. A generation who is willing to not only read and learn but personally yield themselves to experienced The Butterfly Effect.

"The Butterfly Effect Transforming One Person at a Time" has been birth out of the mistakes and lack of knowledge of one generation who realizes how priceless the keys of wisdom, knowledge and understanding are. This book has become a precious commodity and gift to ensure the success of the next generation. It has been intentionally designed to take you on a journey and arm you with the right tools for life that will empower you and future generations to consistently talk, walk and demonstrate how to operate at a standard of excellence that will guarantee success in every area of your life. (Mentally, Physically, Emotionally and Spiritually)

The Butterfly Effect will take you on a real journey. It will open you up to a whole new world - One without limits, boundaries or walls. Notice I did not say without discipline, principles, standards or rules. There will be times throughout this journey aatest enemy - the old you (old habits) vs. the new you (new habits). If you choose to embrace and finish this virtual mentoring journey of "The Butterfly Effect Transforming One Person at a Time," I can guarantee that it will provide answers and give you access to keys that will unlock and tear down the doors of limitations, boundaries, short comings and walls of defeat in your life.

If you would like to invite Nicole Miller to speak at one of your seminars or conference, please send an email request to: iamtransforming@gmail.com or <http://rosedogbooks-store.stores.yahoo.net/buefronepea.html> to order your copy. Please allow a 24 - 48 hours response time on all email inquiries.
